Professional Remodeler Magazine Names Sun Design a “Market Leader” in Survey of 20 Major U.S. Markets

Burke, VA – November 16, 2010 -- *Professional Remodeler* Magazine has named Sun Design a “market leader” in its annual ranking of professional remodeling companies in 20 of the nation’s top markets. In the Washington, D.C. region, Sun Design was among five companies that made the list.

This is the fifth time Sun Design has been named to the annual Market Leaders list. It has also won six other awards from *Professional Remodeler* magazine. The Market Leaders list is compiled through a combination of research by magazine staff and information provided by the listed companies. Other markets among the 20 include Los Angeles, New York, San Diego, Seattle, Philadelphia and Houston.

Sun Design has received a number of recent accolades. Last month it was profiled in *The Washington Post*. The company was named three times by *Inc.* Magazine to its annual “Inc.5000” list of America’s fastest growing private companies. In 2009, Sun Design was one of only 261 Virginia companies to make it onto the list. Also, Sun Design has been named by *Washingtonian* Magazine twice among the top remodelers in the Washington, D.C., metro area.

Sun Design President Bob Gallagher, said, “Washington, Virginia and Maryland comprise a big housing market and we’re very pleased to be among the top five remodelers in the region. We owe a big thanks to our new and long-time customers as well as our creative and highly effective team for making this happen.”
